Invitation of Quotations for the Fixing of Boundary Posts in Lands where surveying work was carried out in Estates administered under the Sri Lanka State Plantations Corporation, in Kandy and Matale Districts

Quotations will be received for the fixing of Boundary Posts in Lands where surveying was carried out in Estates administered under the Sri Lanka State Plantations Corporation in Kandy and Matale Districts. The work should be carried out as stated below :

- Posts should be fixed with a distance of 40 metres between each post.
- Such distance should be lowered depending on places where the boundaries cannot be identified clearly.
- Posts should be planted in 60 cm above ground level and 40 cm below the ground level.
- The post should be square type, 100cm in height and Diameter 12.7 cm
- Each pit should be 45 cm in depth and 18 cm in width.
- A 5 cm concrete base should be placed inside the pit and plant the post in the middle of the pit using concrete. (The mixture should be in ratio of 1:2:4 of Cement : Sand : Metal)
- The posts should be taken to the planting places from the place where they are kept.
